

MORNING APPEAL

TUESDAY.....AUGUST 20

COAST NEWS.

Helena, M. T., arrested and locked up the Salvation Army, twenty strong.

Promising silver formations have been found within four miles of Ogden, and much excitement has followed.

The mining boom at San Pedro, N. M., continues unchecked. New strikes constantly intensify the excitement.

Three of those engaged in the You Bet tragedy have been held to answer without bail—Hodge, Keefe and McLean.

A Mexican boy, recently bitten by a mad well in the San Andreas Mountains, died in terrible agony at Albuquerque.

Mining operations of Americans in Lower California are checked because of the heavy duties exacted by the Mexican Government.

One of the heaviest rainstorms ever known in Daguerre, San Bernardino county, visited that section recently. Several houses were floated.

C. G. Lenfro, who resides in the Eastern precincts on the San Joaquin Fresno county, has been married ten years and has eleven children, all living.

Walter Wals, a white boy, and Ching Lay, a Chinaman, fell into a brick kiln at Portland and were badly roasted, though the Chinaman may recover.

The condition of Judge Pierce, at San Diego, who was shot by the rancher Clendenning on account of an adverse decision, is improving, and his recovery is confidently believed in.

Harry Roberts, who shot and killed William Crawford last May at Butte, M. T., has obtained a respite to his death sentence. The murder was of a cowardly character and the respite of the Governor has produced considerable bitterness.

The stepdaughter of Mrs. Gaskins of Oroville, thirteen years old, is said to have a mania for fire. She is believed to have set fire to two houses at Marysville while on a visit there, and on her return to Oroville her father's house was on fire two minutes afterward.

INCENDIARY FIRE.—On Sunday night about 8 o'clock, Mrs. Torreyson noticed smoke issuing from the rear of the house where Ben Winnie's family lived. On investigation she discovered that there was a fire under the rear of the house where there had been placed a can of coal oil stuffed with straw. The flames had already gained a little headway but with the help of some boys whom she called to her assistance, the fire was subdued from a barrel of water which was standing near. If it had not been for the prompt action of Mrs. Torreyson the whole block would probably have gone, and the loss amounted to thousands of dollars. Sheriff Uilrick appointed an extra man to watch the premises the balance of the night. This makes the sixth fire in that neighborhood in the last two years.

THE JUDGES' STAND.—The Judges' Stand at the new race track is one of the handsomest on the Coast. The ground plan is 10 feet square, by 12 feet high, on top of this is another section 8 feet square and 7 feet high. Above this is an eight-sided cupola with 3 feet of lattice work and sliding windows 3 feet high, making the whole structure 25 feet to the roof. The stand is bolted to four large rocks furnished by Warden McCullough, under whose superintendence it was built, and is anchored so firmly that no wind can phase it.

Maud S. will not be put in training to break her record. Mr. Bonner thinks her record of 2:08 3/4 fast enough for the present. He thinks also that Goy, who has made a mile in 2:10 3/4, should first break Jay-Eye-See's record of 2:10 before he can be looked upon as a dangerous competitor of the famous mare.

Bar silver 92 1/2.

A CUTTING SCRAPE.—On Sunday evening quite an excitement occurred at the Excelsior House by the attempt of a Frenchman named Joe Doe to stab Mr. D. Brault, the proprietor of the house, with a bowie knife. Doe drank too much whiskey and became quarrelsome. He was promptly arrested and taken to jail. At the preliminary examination in the Justice Court he pleaded guilty to disturbing the peace. He will be sentenced today at 10 o'clock A. M.

What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos trims put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG-BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedie, Druggist
